

Slides through every material

QUILTING WAXED

33 % Mercerized Cotton . 67 % Polyester

AREAS OF APPLICATION

Whether hidden or highlighted as decorative stitching, QUILTING WAXED works perfectly when used for hand quilting. Through its extra coating of wax, QUILTING WAXED glides effortlessly including through heavy fabric layers. The cotton-polyester combination is always especially resistant against breaking – which is extremely important while hand quilting.

PRODUCT FEATURES

- **Extra strong quality**
The cotton-polyester combination results in an especially high breaking resistance.
- **2 x waxed surface**
The extra coating of wax lets this quilting thread glide effortlessly through the heaviest of fabric layers without undesired snarling. Ideal for hand sewing. May also be used with the machine.
